MEMORANDUM FOR

Vernon A. Walters
Lieutenant General, U.S. Army
The Deputy Director
Central Intelligence Agency

SUBJECT:

Report of the Nuclear Intelligence Panel

As you requested in your memorandum of February 18, your recommendation concerning Unidentified Research and Development Facility No. 3 near Semipalatinsk, USSR, has been withdrawn.

Obviously, we must continue to examine this facility and try to resolve the nature of this enigma. Should you consider it advisable at any time to resubmit your proposal, it will naturally receive careful consideration.
